The Fluid Power Industry's Complete Source For Motion Solutions

IFP Motion Solutions Inc. standard/
special power units, custom engineered systems & components,
in-house/on-site service, repairs, & testing

Advanced Machine & Engineering hydraulic rod locks

AKG high performance heat exchangers

Allenair Corporation brass & stainless cylinders,
directional/timer valves & index tables

Barksdale shear seal valves, pressure/temp/level/ flow
transducers & switches

Casappa gear/piston pumps, motors & filters

Cejn quick disconnect couplers, blow guns & hose reels

Cervis radio remote controls

COBO switches, keypads, steering columns, steering wheel
lights, electronic control units, displays, instrument clusters, wire
harnesses & sensors

Daman industrial hydraulic manifolds

Dana / Brevini high torque rotary & industrial planetary gear
boxes, mobile planetary drives, hand pumps, power
transmissions, motors, pumps, valves, manifolds, mobile
valves & electronics

Delta Power Company solenoid & mechanical directional,
mechanical flow & proportional controls, mechanical pressure
controls, motorized valves, valve bodies,
coils, electronic control units, joysticks & grips

Donaldson filtration products

Duplomatic industrial hydraulic pumps & controls

Dynamic Fluid Components gear pumps, motors,
hydraulic valves, flow dividers, pressure switches &
hydraulic motors

Dynex high-pressure piston pumps, high-pressure directional and pressure
control valves, heavy-duty piston motors, and electro-hydraulic actuators.

Eaton / Bezares PTO, hydraulic pumps, fittings, winches, power packs,
complete hydraulic systems, and hydraulic adapters

Emerson / Aventics Pneumatics air preparation, valves, hydraulic actuators,
mobile air cylinders, pressure control valves, sensor technology
& electro-pneumatic devices

Enerpac high pressure hydraulic cylinders, power pumps, jacks, bolting
products & tools

Enovation Controls ruggedized digital displays, controllers, panels,
CAN I/O modules, hydraulic controls and process monitoring instruments

Eskridge planetary gear drive products, multiple disc brakes & overhung
load adapters

Exlar heavy duty electric actuators

Fabco-Air cylinders, rotary actuators, grippers, FRL's & valves

Faster couplings, MultiFaster multiconnectors & casting solutions

FasTest testing connectors for leak free vacuum and pressure testing,
fluid filling or flushing, EZ Connect ZF formed tube connectors,
FasMate Shallow Depth, FasMate Instant Threaded, TwistMate Threaded,
Leak Test additional large variety of patented connectors

Festo electric cylinders & drives, plus a complete line of pneumatics

Freelin Wade nylon, PUR, PVC & polyethylene tubing

Graco industrial lubrication systems

GT Controls standard & custom joysticks,
sensors & controls

Honor gear pumps & motors

IC-Fluid Power hydraulic flow dividers, heat exchangers,
hoses, cylinders, motors, press products, valve actuators,
rotary actuators, rotary unions, stainless fittings, &
pressure intensifiers

Norgren actuators air preparation, directional control
valves, fittings & tubing, fluid control valves,
proportional valves, safety valves, switches & sensors,
vacuum products

Interface Devices, Inc air & oil intensifiers

Lexair pneumatic & hydraulic valves

Marzocchi Pumps high pressure gear pumps, micro,
built-in valve, bearing support, aluminum, multiple
hi-low, short, modular, power unit pumps &
aluminum gear motors

Midland ACS hydraulic/pneumatic manifolds, pressure
regulators & filters

Milwaukee Cylinder NFPA tie rod, custom cylinders
& manipulators

Monnier, Inc standard/custom filters, regulators & lubricators

MTE Hydraulics compact DC power units, AC power units,
hydraulic generators, hydraulic pumps, motors, flow dividers

Nimco mobile valves & controls

Norman Filters high pressure stainless steel filters

Oilgear hydraulic pumps, valves, motors, meters &
integrated systems

OnRobot EOAT grippers, sensors, tool changers, tools for
collaborative robotics

Peter Paul liquid & gas solenoid valves

Power Valve hydraulic valves

Productive Robotics OB7 industrial collaborative robotics & accessories

PVS Sensors pressure, vacuum, transducer, temperature & differential switches

Rockford Linear NFPA tie rod cylinders

Rotzler hydraulic, hoisting, lifting, & pulling winches & winch systems, top roller, swivel
hooks, master links, snatch block, rope trumpets & wheel wedges

SAI radial piston motors & planetary gearboxes

SC Hydraulic Engineering Corporation high pressure, air-driven liquid pumps,
air & gas boosters

Schmalz Vacuum Technologies vacuum suction cups, special grippers mounting
elements, vacuum generators, valve technology, switches & system monitoring,
filters & connections

Stucchi hydraulic couplings

Thomas Industries standard & custom enclosures

TRD Hydraulic Cylinders actuators

Walvoil mobile directional valves

WIKA pressure/temperature gauges, sensors & transducers

Youli mobile monoblock & sectional valves
