# The Industrial and Mobile Industry's Complete Source For Motion Solutions

**IFP Motion Solutions Inc.** standard/special power units, test stands, automation systems and programming, custom engineered systems & components, in-house/on-site service, repairs, & testing

**Advanced Machine & Engineering** hydraulic rod locks

**AKG** high performance heat exchangers

**Alkon / Allenair Corporation** air distribution systems, axle control systems, air suspension, tire inflation, tailgate & belly dump systems, vacuum distribution systems brass/stainless cylinders, directional/timer valves & index tables

**ASP** miniBOOSTER hydraulic intensifiers

**Balluff, Inc** sensors, linear feedback devices & RFID systems

**Barksdale** shear seal valves, pressure/temp/level/ flow transducers & switches

**Barrington Automation** precision pneumatic grippers, linear & rotary actuators

**Casappa** gear/piston pumps, motors & filters

**Cervis, Inc** radio remote controls

**Clippard** electronic, manual, proportional, and isolation valves, electronic controls

**COBO** switches, keypads, steering columns, steering wheel lights, electronic control units, displays, instrument clusters, wire harnesses & sensors

**Colder Products Company** quick disconnect couplings, fittings & connectors for plastic tubing

**ControlAir, Inc.** precision air pressure regulators, I/P & E/P transducers, valve positioners, air relays, volume boosters, air filter regulators & frictionless diaphragm air cylinders

**Daman** industrial hydraulic manifolds

**Dana / Brevini** high torque rotary & industrial planetary gear boxes, mobile planetary drives, hand pumps, power transmissions, motors, pumps, valves, manifolds, mobile valves & electronics

**Delta Computer Systems** motion controllers for electric, hydraulic & pneumatic applications

**Delta Power Company** solenoid & mechanical directional, mechanical flow & proportional controls, mechanical pressure controls, motorized valves, valve bodies, coils, electronic control units, joysticks & grips

**Deltrol** cartridge, solenoid, check, motion control, relief, pressure control, sequence, shuttle & directional valves

**Descase** desiccant breathers

**DMIC** custom valves and components for aviation, aerospace, industrial subsea, marine, oil & gas with hydraulic power, fluid control & handling

**Donaldson** filtration products

**DuraValve** manual/automated ball & butterfly valves

**Dynamic Fluid Components** gear pumps, motors, hydraulic valves, flow dividers, pressure switches & hydraulic motors

**Eaton / Moeller** industrial control products

**Enerpac** industrial tooling, workholding & bolting

**Enovation Controls** ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

**Eskridge** planetary gear drive products, multiple disc brakes & overhung load adapters

**Exor International** robust we-based, high-performance, sunlight readable displays built to deal with harsh environments. Communication across multi-vendor, multi-protocol and multi-device environments and then sending this data to local or cloud storage multi-purpose robust touch HMI displays, HMI with support arms, IoT Gateways, smart web based HMIs IoT controllers

**Fabco-Air** cylinders, rotary actuators, grippers, FRL's & valves

**Faster** couplings, MultiFaster multiconnectors & casting solutions

**FasTest** testing connectors for leak free vacuum and pressure testing, fluid filling or flushing, EZ Connect ZF formed tube connectors, FasMate Shallow Depth, FasMate Instant Threaded, TwistMate Threaded, Leak Test additional large variety of patented connectors

**Festo** electric cylinders & drives, plus a complete line of pneumatics

**Flo-Tork** pneumatic & hydraulic rotary actuators

**Freelin Wade** nylon, PUR, PVC & polyethylene tubing

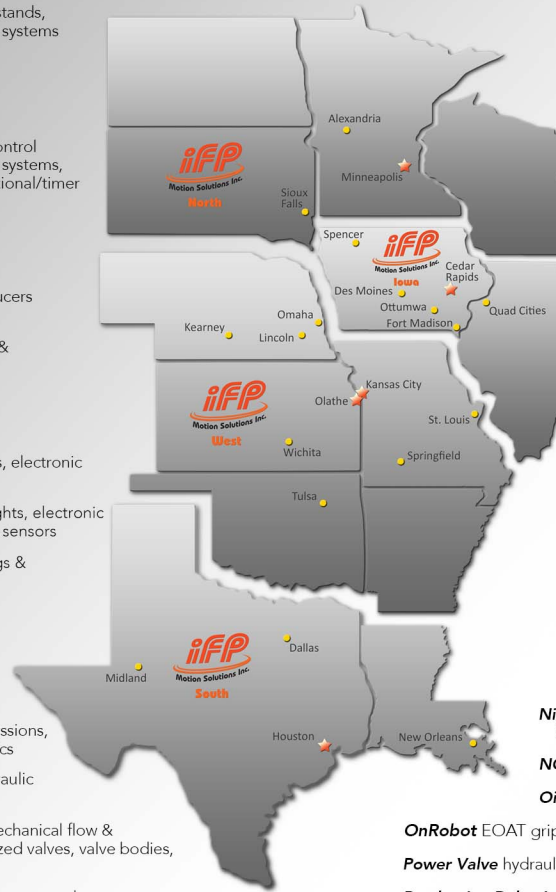

**Geartek** gear pumps & motors

**Graco** industrial lubrication systems

**GT Controls** standard & custom joysticks, sensors & controls

**Honor** gear pumps & motors

**Hydac** filters, accumulators, valves & electronics

**Hydro-Line** NFPA, mill spec & custom cylinders

**Ikron** hydraulic filtration

**IMI** actuators air preparation, directional control valves, fittings & tubing, fluid control valves, proportional valves, safety valves, switches & sensors, vacuum products

**Interface Devices, Inc** air & oil intensifiers

**Kuka** robotics

**Legris** pneumatic fittings, quick couplings, & ball valves

**Lexair** pneumatic & hydraulic valves

**Magnaloy** flexible motor drive couplings

**Marzocchi Pumps** high pressure gear pumps, micro, built in valve, bearing support, aluminum, multiple hi-low, short, modular, power unit pumps & aluminum gear motors

**McDaniel Controls** pressure gauges

**Mead Fluid Dynamics** pneumatic valves, cylinders, clamps & presses

**Milwaukee Cylinder** NFPA tie rod, custom cylinders & manipulators

**Monnier Inc** standard/custom filters, regulators & lubricators

**MTE Hydraulics** compact DC power units, AC power units, hydraulic generators, hydraulic pumps, motors, flow dividers

**Murphy by Enovation Controls** ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

**Murrelektronik** switch cabinets, M8 cables, safety relays, & I/O control modules

**Nason** custom engineered switches & cylinders

**Nimco** open center/flow sharing load sense valves, remote control units, & variable displacement pumps

**NOSHOK** pressure/temperature gauges, sensors & transducers

**Oilgear** hydraulic pumps, valves, motors, meters & integrated systems

**OnRobot** EOAT grippers, sensors, tool changers, tools for collaborative robotics

**Power Valve** hydraulic valves

**Productive Robotics** OB7 industrial collaborative robotics & accessories

**PVS Sensors** pressure, vacuum, transducer, temperature & differential switches

**Rexroth A Bosch Company** aluminum structural framing and industrial hydraulics only in specific geographic region See Map <https://www.ifpusa.com/brands/rexroth/>

**Rockford Linear** NFPA tie rod cylinders

**Rotzler** hydraulic, hoisting, lifting, & pulling winches & winch systems, top roller, swivel hooks, master links, snatch block, rope trumpets & wheel wedges

**SAI** radial piston motors & planetary gearboxes

**Salami** monoblock directional control valves & controls

**Samlex America** AC-DC power supplies, DC-AC power inverters, inverter / chargers, battery chargers, DC-DC voltage inverters, transfer switches, and solar charge controllers.

**Schmalz Vacuum Technologies** vacuum suction cups, special grippers mounting elements, vacuum generators, valve technology, switches & system monitoring, filters & connections

**Schroeder Industries** hydraulic filters, diagnostics & fluid conditioning systems

**Simplex** industrial tooling, workholding & bolting

**Source Fluid Power** custom hydraulics, manifolds, cylinders & valves

**Stucchi** hydraulic couplings

**Sun Hydraulics** cartridge valves, manifolds & custom solutions

**Thermal Transfer** air & water-cooled heat exchangers

**Thomas Industries** standard & custom enclosures

**Twintec** quick disconnect couplers, multi-tube connectors

**Vanguard** Integrated lithium-ion battery systems

**Versa** pneumatic valves

**Walvoil** mobile directional valves

**WIKA** pressure/temperature gauges, sensors & transducers

**Youli** mobile monoblock & sectional valves

**ZAPI Group** motion controllers, electric motors, high-frequency battery chargers, and autonomous navigation software for application in full-electric and hybrid vehicles
