# The Fluid Power Industry's Complete Source for Motion Solutions

**IFP Motion Solutions Inc.** standard/special power units, test stands, automation systems and programming, custom engineered systems & components, in-house/on-site service, repairs, & testing

**Advanced Machine & Engineering** hydraulic rod locks

**AKG** high performance heat exchangers

**Alkon / Allenair Corporation** air distribution systems, axle control systems, air suspension, tire inflation, tailgate & belly dump systems, vacuum distribution systems brass/stainless cylinders, directional/timer valves & index tables

**Atos** electro-hydraulic directional, flow & pressure control valves

**Barksdale** shear seal valves, pressure/temp/level/ flow transducers & switches

**Barrington Automation** precision pneumatic grippers, linear & rotary actuators

**Casappa** gear/piston pumps, motors & filters

**Cejn** quick disconnect couplers, blow guns & hose reels

**Cervis, Inc** radio remote controls

**COBO** switches, keypads, steering columns, steering wheel lights, electronic control units, displays, instrument clusters, wire harnesses & sensors

**Colder Products** quick couplings, fittings & tube connectors

**ControlAir, Inc.** precision air pressure regulators, I/P & E/P transducers, valve positioners, air relays, volume boosters, air filter regulators and frictionless diaphragm air cylinders

**Daman** industrial hydraulic manifolds

**Dana / Brevini** high torque rotary & industrial planetary gear boxes, mobile planetary drives, hand pumps, power transmissions, motors, pumps, valves, manifolds, mobile valves & electronics

**Delta Computer** motion controllers for electric, hydraulic & pneumatic applications

**Delta Power Company** solenoid & mechanical directional, mechanical flow & proportional controls, mechanical pressure controls, motorized valves, valve bodies, coils, electronic control units, joysticks & grips

**Deltrol Corporation** cartridge, solenoid, check, motion control, relief, pressure control, sequence, shuttle & directional valves

**Donaldson** filtration products

**Duravalue** manual/automated ball & butterfly valves

**Dynamic Fluid Components** gear pumps, motors, hydraulic valves, flow dividers, pressure switches & hydraulic motors

**Enerpac** industrial tooling, workholding & bolting

**Esckridge** planetary gear drive products, multiple disc brakes & overhung load adapters

**Exor International** robust we-based, high-performance, sunlight readable displays built to deal with harsh environments. Communication across multi-vendor, multi-protocol and multi-device environments and then sending this data to local or cloud storage multi-purpose robust touch HMI displays, HMI with support arms, IoT Gateways, smart web based HMIs IoT controllers

**Fabco-Air** cylinders, rotary actuators, grippers, FRL's & valves

**Faster** couplings, MultiFaster multi-connectors & casting solutions

**FasTest** testing connectors for leak free vacuum and pressure testing, fluid filling or flushing, EZ Connect ZF formed tube connectors, FasMate Shallow Depth, FasMate Instant Threaded, TwistMate Threaded, Leak Test additional large variety of patented connectors

**Festo** electric cylinders & drives, plus a complete line of pneumatics

**Flo-Tork** pneumatic & hydraulic rotary actuators

**Frame World** structural aluminum framing

**Freelin Wade** nylon, PUR, PVC & polyethylene tubing

**Geartek** gear pumps & motors

**Graco** industrial lubrication systems

**Hedland / Flo-Tech** pneumatic/hydraulic & water flow meters

**Hengli** hydraulic cylinders, pumps, motors, orbital motors, mobile control valves, industrial control valves

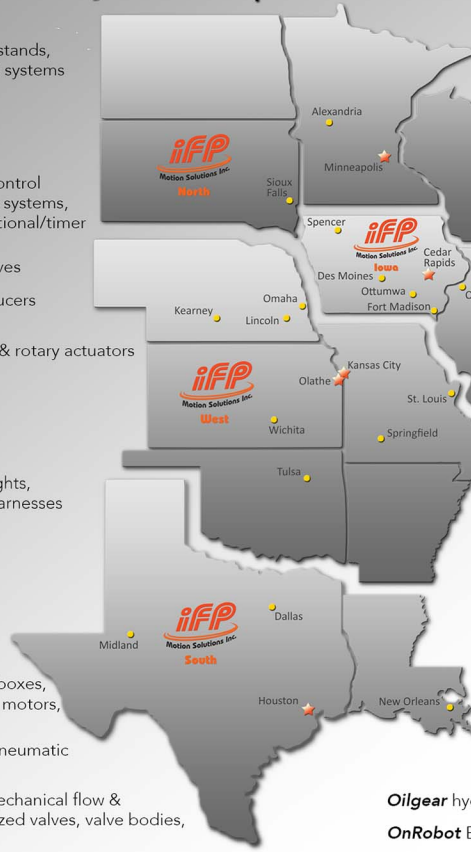

**Hirschmann** industrial electronic connectors, fiber interfaces & mobile machine controls

**Honor Pumps** gear pumps & motors

**Hydac** filters, accumulators, valves & electronics

**IC-Fluid Power** hydraulic flow dividers, heat exchangers, hoses, cylinders, motors, press products, valve actuators, rotary actuators, rotary unions, stainless fittings, & pressure intensifiers

**Ikron** hydraulic filtration

**IMI** actuators air preparation, directional control valves, fittings & tubing, fluid control valves, proportional valves, safety valves, switches & sensors, vacuum products

**Interface Devices, Inc** air & oil intensifiers

**Kuka** robotics

**Lexair** pneumatic & hydraulic valves

**Marzocchi Pumps** high pressure gear pumps, micro, built in valve, bearing support, aluminum, multiple hi-low, short, modular, power unit pumps & aluminum gear motors

**Mead Fluid Dynamics** pneumatic valves, cylinders, clamps & presses

**Midland Metals** brass fittings, valves, nipples & fittings, plastic fittings, clamps & tubing

**Milwaukee Cylinder** NFPA tie rod, custom cylinders & manipulators

**Monarch / Bucher Hydraulics** pumps, motors, valves & power units

**Monnier Inc** standard/custom filters, regulators & lubricators

**MTE Hydraulics** compact DC power units, AC power units, hydraulic generators, hydraulic pumps, motors, flow dividers

**MTS Sensors** linear position sensors for industrial & light industrial, mobile hydraulic & tank level measurement applications

**Murphy by Enovation Controls** ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

**Murrelektronik** switch cabinets, M8 cables, safety relays, & I/O control modules

**Nason** custom engineered switches & cylinders

**Nimco** open center/flow sharing load sense valves, remote control units, & variable displacement pumps

**NOSHOK** pressure/temperature gauges, sensors & transducers

**Oilgear** hydraulic pumps, valves, motors, meters & integrated systems

**OnRobot** EOAT grippers, sensors, tool changers, tools for collaborative robotics

**Peter Paul** liquid & gas solenoid valves

**Power Valve** hydraulic valves

**Pneuforce** pneumatic fittings, pressure & vacuum gauges

**Productive Robotics** OB7 industrial collaborative robotics & accessories

**PVS Sensors** pressure, vacuum, transducer, temperature & differential switches

**ReeR** safety light curtains, laser scanners & optoelectronic safety products

**Rexroth A Bosch Company** aluminum structural framing and industrial hydraulics only in specific geographic region See Map <https://www.ifpusa.com/brands/rexroth/>

**Rockford Linear** NFPA tie rod cylinders

**Rotzler** hydraulic, hoisting, lifting, & pulling winches & winch systems, top roller, swivel hooks, master links, snatch block, rope trumpets & wheel wedges

**SAI** radial piston motors & planetary gearboxes

**Salami** monoblock directional control valves & controls

**Samlex America** AC-DC power supplies, DC-AC power inverters, inverter / chargers, battery chargers, DC-DC voltage inverters, transfer switches, and solar charge controllers.

**Schmalz Vacuum Technologies** vacuum suction cups, special grippers mounting elements, vacuum generators, valve technology, switches & system monitoring, filters & connections

**Schroeder Industries** hydraulic filters, diagnostics & fluid conditioning systems

**Simplex** industrial tooling, workholding & bolting

**Stucchi** hydraulic couplings

**Sun Hydraulics** cartridge valves, manifolds & custom solutions

**Thermal Transfer** air & water-cooled heat exchangers

**Versa** pneumatic & low pressure hydraulic directional valves

**Walvoil** mobile directional valves

**WIKA** pressure/temperature gauges, sensors & transducers

**Youli** mobile monoblock & sectional valves

**ZAPI Group** motion controllers, electric motors, high-frequency battery chargers, and autonomous navigation software for application in full-electric and hybrid vehicles
