The Industrial and Mobile Industry's Complete Source For Motion Solutions

IFP Motion Solutions Inc. standard/special power units, test stands, automation systems and programming, custom engineered systems & components, in-house/on-site service, repairs, & testing

Advanced Machine & Engineering hydraulic rod locks

AKG high performance heat exchangers

Atos electro-hydraulic directional, flow & pressure control valves

Balluff Inc sensors, linear feedback devices & RFID systems

Barksdale shear seal valves, pressure/temp/level/ flow transducers & switches

Beckhoff PLCs & IOs

Casappa gear/piston pumps, motors & filters

Cervis, Inc radio remote controls

COBO switches, keypads, steering columns, steering wheel lights, electronic control units, displays, instrument clusters, wire harnesses & sensors

Dana / Brevini high torque rotary & industrial planetary gear boxes, mobile planetary drives, hand pumps, power transmissions, motors, pumps, valves, manifolds, mobile valves & electronics

Delta Computer Systems motion controllers for electric, hydraulic & pneumatic applications

Delta Power Company solenoid & mechanical directional, mechanical flow & proportional controls, mechanical pressure controls, motorized valves, valve bodies, coils, electronic control units, joysticks & grips

DMIC custom valves and components for aviation, aerospace, industrial subsea, marine, oil & gas with hydraulic power, fluid control & handling

Donaldson filtration products

Dynalco meters, speed switches, tachometers, indicators & monitors

Dynamic Fluid Components gear pumps, motors, hydraulic valves, flow dividers, pressure switches & hydraulic motors

Eaton / Moeller industrial control products

Elobau Sensor technology operator controls, machine safety, level measurements & sensors

Enerpac industrial tooling, workholding & bolting

Enovation Controls ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

Eskridge planetary gear drive products, multiple disc brakes & overhung load adapters

Exor International robust we-based, high-performance, sunlight readable displays built to deal with harsh environments. Communication across multi-vendor, multi-protocol and multi-device environments and then sending this data to local or cloud storage multi-purpose robust touch HMI displays, HMI with support arms, IoT Gateways, smart web based HMIs IoT controllers

Fabco-Air cylinders, rotary actuators, grippers, FRL's & valves

Faster couplings, MultiFaster multiconnectors & casting solutions

Frame World structural aluminum framing

Geartek gear pumps & motors

Graco industrial lubrication systems

Hansa-TMP axial piston pumps, motors & controls, wheel drive motor & gear boxes, hydraulic generators

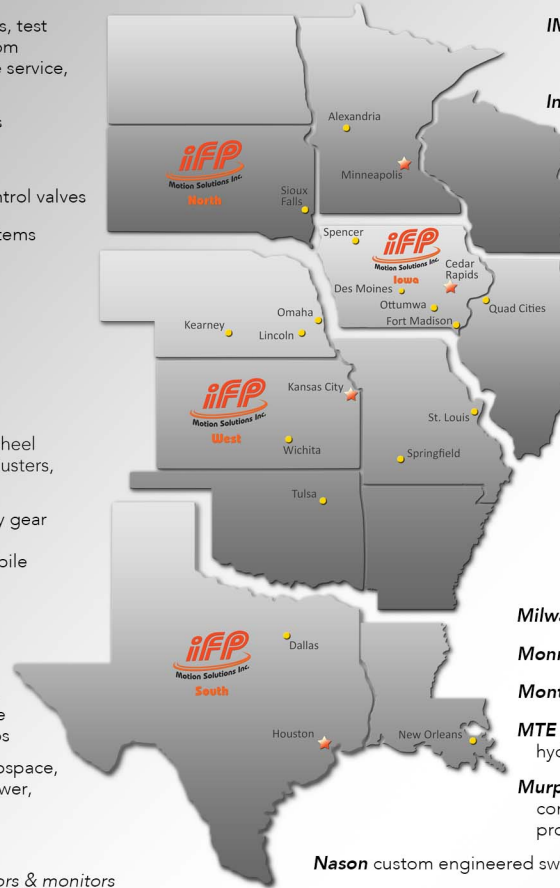

Hengli hydraulic cylinders, pumps, motors, orbital motors, mobile control valves, industrial control valves

Honor gear pumps & motors

Hydac filters, accumulators, valves & electronics

Hydro Leduc axial piston pumps & motors

Ikron hydraulic filtration

IMI actuators air preparation, directional control valves, fittings & tubing, fluid control valves, proportional valves, safety valves, switches & sensors, vacuum products

Interface Devices, Inc air & oil intensifiers

Kingston Storm Mfg. Group safety, control, check, ball, solenoid, oil lubricator, lift/hoist & burner valves

KTI AC/DC driven hydraulic power units

KTR oil coolers, reservoirs & reservoir accessories, drive couplings

Kuka robotics

Lexair pneumatic & hydraulic valves

Marzocchi Pumps high pressure gear pumps, micro, built in valve, bearing support, aluminum, multiple hi-low, short, modular, power unit pumps & aluminum gear motors

Mead Fluid Dynamics pneumatic valves, cylinders, clamps & presses

Mencom industrial connection products

Midland Metals brass fittings, valves, nipples & fittings, plastic fittings, clamps & tubing

Milwaukee Cylinder NFPA tie rod, custom cylinders & manipulators

Monnier Inc standard/custom filters, regulators & lubricators

Montain Power Hydraulics welded cylinders

MTE Hydraulics compact DC power units, AC power units, hydraulic generators, hydraulic pumps, motors, flow dividers

Murphy by Enovation Controls ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls & process monitoring instruments

Nason custom engineered switches & cylinders

Nimco open center/flow sharing load sense valves, remote control units, & variable displacement pumps

NOSHOK pressure/temperature gauges, sensors & transducers

Oilgear hydraulic pumps, valves, motors, meters & integrated systems

OnRobot EOAT grippers, sensors, tool changers, tools for collaborative robotics

Peter Paul liquid & gas solenoid valves

Power Valve hydraulic valves

Productive Robotics OB7 industrial collaborative robotics & accessories

PVS Sensors pressure, vacuum, transducer, temperature & differential switches

Rotzler hydraulic, hoisting, lifting, & pulling winches & winch systems, top roller, swivel hooks, master links, snatch block, rope trumpets & wheel wedges

SAI radial piston motors & planetary gearboxes

Schmalz Vacuum Technologies vacuum suction cups, special grippers mounting elements, vacuum generators, valve technology, switches & system monitoring, filters & connections

Source Fluid Power custom hydraulics, manifolds, cylinders & valves

Suburban Manufacturing hose protective covering, air dryers, filtration systems, drains, hose & couplers

Sun Hydraulics cartridge valves, manifolds & custom solutions

Thomas Industries standard & custom enclosures

Walvoil mobile directional valves

WIKA pressure/temperature gauges, sensors & transducers

Youli mobile monoblock & sectional valves

ZAPI Group motion controllers, electric motors, high-frequency battery chargers, and autonomous navigation software for application in full-electric and hybrid vehicles
