The Industrial and Mobile Industry's Complete Source For Motion Solutions

IFP Motion Solutions Inc. standard/special power units, test stands, automation systems and programming, custom engineered systems & components, in-house/on-site service, repairs, & testing

Advanced Machine & Engineering hydraulic rod locks

AKG high performance heat exchangers

Alkon / Allenair Corporation air distribution systems, axle control systems, air suspension, tire inflation, tailgate & belly dump systems, vacuum distribution systems brass/stainless cylinders, directional/timer valves & index tables

Atos electro-hydraulic directional, flow & pressure control valves

Barksdale shear seal valves, pressure/temp/level/ flow transducers & switches

Casappa gear/piston pumps, motors & filters

Cejn quick disconnect couplers, blow guns & hose reels

Cervis, Inc radio remote controls

COBO switches, keypads, steering columns, steering wheel lights, electronic control units, displays, instrument clusters, wire harnesses & sensors

Daman industrial hydraulic manifolds

Dana / Brevini high torque rotary & industrial planetary gear boxes, mobile planetary drives, hand pumps, power transmissions, motors, pumps, valves, manifolds, mobile valves & electronics

Delta Power Company solenoid & mechanical directional, mechanical flow & proportional controls, mechanical pressure controls, motorized valves, valve bodies, coils, electronic control units, joysticks & grips

Donaldson filtration products

Duplomatic industrial hydraulic pumps a & controls

Dynamic Fluid Components gear pumps, motors, hydraulic valves, flow dividers, pressure switches & hydraulic motors

Dynex high pressure piston pumps, high-pressure directional and pressure control valves, heavy-duty piston motors, and electro-hydraulic actuators

Eaton / Bezares PTO, hydraulic pumps, fittings, winches, power packs, complete hydraulic systems and hydraulic adapters

Enerpac industrial tooling, workholding & bolting

Enovation Controls ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

Eskridge planetary gear drive products, multiple disc brakes & overhung load adapters

Exor International robust we-based, high-performance, sunlight readable displays built to deal with harsh environments. Communication across multi-vendor, multi-protocol and multi-device environments and then sending this data to local or cloud storage multipurpose robust touch HMI displays, HMI with support arms, IoT Gateways, smart web based HMIs IoT controllers

Fabco-Air cylinders, rotary actuators, grippers, FRL's & valves

Faster couplings, MultiFaster multi-connectors & casting solutions

FasTest testing connectors for leak free vacuum and pressure testing, fluid filling or flushing, EZ Connect ZF formed tube connectors, FasMate Shallow Depth, FasMate Instant Threaded, TwistMate Threaded, Leak Test additional large variety of patented connectors

Festo electric cylinders & drives, plus a complete line of pneumatics

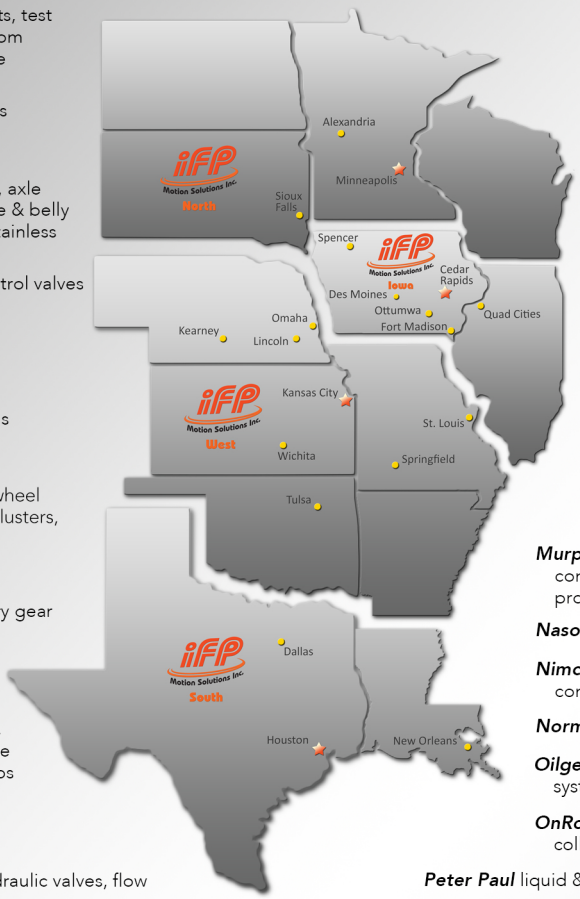

Freelin Wade nylon, PUR, PVC & polyethylene tubing

Graco industrial lubrication systems

GT Controls standard & custom joysticks, sensors & controls

Hengli hydraulic cylinders, pumps, motors, orbital motors, mobile control valves, industrial control valves

Honor gear pumps & motors

IMI actuators air preparation, directional control valves, fittings & tubing, fluid control valves, proportional valves, safety valves, switches & sensors, vacuum products

IC-Fluid Power hydraulic flow dividers, heat exchangers, hoses, cylinders, motors, press products, valve actuators, rotary actuators, rotary unions, stainless fittings, & pressure intensifiers

Interface Devices, Inc air & oil intensifiers

Lexair pneumatic & hydraulic valves

Marzocchi Pumps high pressure gear pumps, micro, built in valve, bearing support, aluminum, multiple hi-low, short, modular, power unit pumps & aluminum gear motors

Milwaukee Cylinder NFPA tie rod, custom cylinders & manipulators

Monnier Inc standard/custom filters, regulators & lubricators

MTE Hydraulics compact DC power units, AC power units, hydraulic generators, hydraulic pumps, motors, flow dividers

Murphy by Enovation Controls ruggedized digital displays, controllers, panels, CAN I/O modules, hydraulic controls and process monitoring instruments

Nason custom engineered switches & cylinders

Nimco open center/flow sharing load sense valves, remote control units, & variable displacement pumps

Norman Filters high pressure stainless steel filters

Oilgear hydraulic pumps, valves, motors, meters & integrated systems

OnRobot EOAT grippers, sensors, tool changers, tools for collaborative robotics

Peter Paul liquid & gas solenoid valves

Power Valve hydraulic valves

Productive Robotics OB7 industrial collaborative robotics & accessories

Paquin Sensors pressure, vacuum, transducer, temperature & differential switches

Rockford Linear NFPA tie rod cylinders

Rotzler hydraulic, hoisting, lifting, & pulling winches & winch systems, top roller, swivel hooks, master links, snatch block, rope trumpets & wheel wedges

SAI radial piston motors & planetary gearboxes

SC Hydraulic Engineering Corporation high pressure, air driven liquid pumps, air & gas boosters

Schmalz Vacuum Technologies vacuum suction cups, special grippers mounting elements, vacuum generators, valve technology, switches & system monitoring, filters & connections

Schroeder Industries hydraulic filters, diagnostics & fluid conditioning systems

Stucchi hydraulic couplings

Thomas Industries standard & custom enclosures

TRD Hydraulic Cylinders actuators

Walvoil mobile directional valves

WIKA pressure/temperature gauges, sensors & transducers

Youli mobile monoblock & sectional valves

ZAPI Group motion controllers, electric motors, high-frequency battery chargers, and autonomous navigation software for application in full-electric and hybrid vehicles
